

GO_Biological_Process_2021

cellular response to brain-derived neurotrophic factor stimulus (GO:1990416)

regulation of neuron projection development (GO:0010975)

negative regulation of neuron projection development (GO:0010977)

neuron cell-cell adhesion (GO:0007158)

regulation of axonogenesis (GO:0050770)

regulation of synaptic transmission, glutamatergic (GO:0051966)

axonogenesis (GO:0007409)

neuron projection arborization (GO:0140058)

regulation of dendritic spine morphogenesis (GO:0061001)

regulation of epithelial cell migration (GO:0010632)
