

GO_Biological_Process_2021

cellular response to brain-derived neurotrophic factor stimulus (GO:1990416)
regulation of neuron projection development (GO:0010975)
negative regulation of neuron projection development (GO:0010977)
neuron cell-cell adhesion (GO:0007158)
regulation of axonogenesis (GO:0050770)
regulation of synaptic transmission, glutamatergic (GO:0051966)
axonogenesis (GO:0007409)
neuron projection arborization (GO:0140058)
regulation of dendritic spine morphogenesis (GO:0061001)
regulation of epithelial cell migration (GO:0010632)
