GO_Biological_Process_2021
cellular response to type I interferon (GO:0071357)
type I interferon signaling pathway (GO:0060337)
defense response to symbiont (GO:0140546)
defense response to virus (GO:0051607)
response to cytokine (GO:0034097)
negative regulation of viral process (GO:0048525)
cytokine-mediated signaling pathway (GO:0019221)
regulation of cell development (GO:0060284)
protein mono-ADP-ribosylation (GO:0140289)
cellular response to interferon-gamma (GO:0071346)
